

MATHS LENDING LIBRARY

Fantastic news

**The maths lending library is now ready to begin this year for
Reception - Year 6 children!**

The maths games in the library have been generously funded by the PTA.

Please do make the most of the games available.

The games vary between general maths games, to practise and reinforce basic skills in a fun and enjoyable way, to games or fun tasks which are specific to each year group.

Organisation:

- The library is open between 3.35 – 3.50 p.m. on a Monday and a Thursday
- Each child will have a library card which will be marked when they take home a game to play
- The game can then be returned the following week and swapped for a new game to be taken home
- The library is housed just inside the doors opposite the notice board near the bike sheds. This will mean you won't need to walk through school to access it.

**PLEASE LOOK AFTER THE GAMES
AND ALL OF THEIR CONTENTS. IT
HAS TAKEN A GREAT DEAL OF MONEY
AND TIME TO ORGANISE THIS OPPORTUNITY**
