Dear Parent/Guardian

Re: Whole Class Instrumental and Vocal Project

Your child will be taking part in a special music project in the **Summer term 2019** during which he/she will receive specialist UKELE tuition from Trafford Music Service staff. Lessons will take place weekly on **Tuesday**. Every child will be allocated an instrument for the project, and will be permitted to take this instrument home to practise. Your support and co-operation in helping your child to remember his/her instrument every week will be essential in order for the project to run smoothly and effectively.

Learning to play a musical instrument enables children to develop musical awareness. It also requires a commitment to practise and to take responsibility in both looking after an instrument and bringing it to school on the correct day each week. At the end of the project, all parents and carers are invited to attend a concert where the children will demonstrate what they have learned.

After the project the instruments will be returned to Trafford Music Service for use in future projects. It is essential that the instruments that are loaned to the school are looked after carefully and returned in the same condition as they were received. Please complete and return the attached permission letter to confirm your support for this project.

Yours sincerely
