

A Welcome from Our School Council 2019-20

Who are we?

There are 24 of us in the School Council – two children from each of our 11 classes, not including our Nursery, Miss Shaw (who makes it all happen) and Mr Searle. We meet twice a half term and talk about lots of different things. But it's not just about talking about things – we get things done too.

What are we doing?

This Autumn Term, we have voted on our priorities and they are:

- 1) To fund raise towards buying two friendship benches, one for each playground. We want to do this for two reasons:
 - a) Some children in our school want somewhere to go if they don't have anyone to play with that playtime, where other children can see you and then they will come along and talk and play with you;
 - b) We all want to remember Syd, our old lollipop man, who was always so friendly towards us all – if we put a sign on the bench about him, we will never forget him.

- 2) We have asked the teachers to give us House Points this term for everything we do that is friendly towards others. They have agreed with this and until Christmas, that's what we will be getting House Points for.

- 3) We all want to raise money for Children in Need, so on Friday 15th November, everyone in school can come dressed in yellow or spots, or both like Pudsey Bear. Please bring £1 each if you want to dress up and raise money for this charity.
