

Coordinates Spelling Game

Working with a partner, decide who will be noughts and who will be crosses. The first player needs to throw two dice and map the coordinate they make on the spelling co-ordinate grid - the first dice shows how far you need to go across the x-axis and the second dice shows how far you need to go up the y-axis.

Use the statutory spelling challenge word in that square within a sentence with a fronted adverbial on your whiteboard. If you manage to create a sensible sentence, cross off that square using your chosen symbol. The first player to get three squares in a row is the winner!

6	therefore	separate	strength	difficult	separate	length
5	different	difficult	difficult	strength	history	knowledge
4	purpose	length	therefore	different	length	history
3	separate	history	purpose	suppose	knowledge	purpose
2	history	suppose	separate	knowledge	strength	different
1	different	length	strength	purpose	difficult	therefore
	1	2	3	4	5	6

Challenge Task

Can you use three of your spelling words in the same sentence?

Accept any sentence with three of the statutory spellings within it,

e.g. 'As I have lots of knowledge about past events, history is one of strengths at school'.
