Year Five -we would like the children to complete some of the following every day.

|          |   |
|----------|---|
| Maths    | See maths instructions.   |
| Literacy | We have attached information about grammar objectives that have been covered so far this year, including modal verbs and relative clauses. The children have been provided with paper copies of the grammar activities to complete.<br><br>Also see reading instructions.   |
| Topic    | Our current topic is the Vikings. We have attached several activities for the children to complete based on this. These include: <ul style="list-style-type: none"><li>• Reading comprehensions</li><li>• Creating a comic strip retelling the events of the Battle of Edington</li><li>• A first-person recount, writing in role as someone who took part in the Battle of Edington.</li></ul> |
| Spelling | We have attached a list of the statutory year 5/6 spells. We have uploaded a variety of spelling activities the children could do. It is expected that the children choose <u>one</u> activity per day to complete, be it: word search, a word mat or look, cover, write, check.  |
