“We Only Reach for The Highest”

---

Thursday 16<sup>th</sup> July 2020

Dear Parents / Carers

### Your Child's Record of Achievement

This will be handed to your child (if currently at school) tomorrow afternoon. If your child is not currently attending, then please note that your child's record of achievement has been posted to you this afternoon and should be with you in the next two days.

With the report, you will find an acknowledgement slip which is very important to us. We would like you to email your response to your child's report to:

[admin@worthingtonprimary.co.uk](mailto:admin@worthingtonprimary.co.uk)

**In the 'subject' box, please write 'REPORT' along with your child's name and class group.** In this way, we have a record of your thoughts to attach to our copy of your son or daughter's report, and you won't have to return a piece of paper to school in the last few days of term.

### Oops! I Forgot!

I knew that I would forget some things from my letter regarding our full return in September and these are:

- If you have a child in Nursery in September who has an older sibling in our school but your nursery child is not leaving school in the afternoon on a particular day, then on the day your nursery child is not leaving in the afternoon, their older sibling/s will leave with their peers who have the same initial letter of surname via the Wythenshawe Road Gate. Therefore, a parent or carer will need to be available to pick up at the child's allotted time of departure.
- This morning we were notified that the government contract for the delivery of fruit and vegetables for the daily healthy snack for Early Years and Key Stage One children has not yet been awarded to the regular company.

For the time being, I am assuming that this facility may not be available in September, and therefore I am asking all parents (Early Years to Year 6) who would like to, to provide your child with a piece of fresh fruit (e.g. apple, banana or tangerine) or a single vegetable (e.g. carrot) so that the children can continue to reap the benefit of this nutritious mid-morning snack. **I would remind you that nuts are not allowed in school. Please place the fruit/vegetable in a sandwich bag, labelled with your child's name.**

In addition, please do just bring water in for your child, rather than any other drink.

## **Our Summer Holiday**

I really do hope you can all enjoy the summer holiday. I know that many of us will not be going away this summer but I am sure you will be able to make the most of each day. We have some children who have attended school every day since 23<sup>rd</sup> March and they are probably ready for a break from my face!

Most of all, I really do hope that on our return in September, we find everyone in great spirits, fighting fit and raring to go. I wish you and your wider families the very best of health and much happiness.

Yours
