"We Only Reach for The Highest"

---

Friday 18<sup>th</sup> September 2020

Dear Parents / Carers

### **Parking Around Wythenshawe Road**

Since the start of term, I have been receiving an increasing number of telephone calls and emails from local residents complaining about cars parked near the junction of The Ridings and Wythenshawe Road. I know parking is extremely limited and I want to thank you all for everything you have done to make the start and close of each school day so easy. However, I have never been so busy at work as I am right now and would be eternally grateful if I did not receive any more complaints from neighbours, that naturally take a lot of my time to deal with.

Please do not park near junctions, as trying to get out of The Ridings is a difficult task during rush hour, even without our added traffic. I know it won't go on for much longer, but in the meantime, I really would appreciate your cooperation in this matter.

Our local councillor, Cllr. Freeman visited the school site this week and he has asked the Highways Department to look at the area around school with the utmost urgency. I am grateful for his intervention, as a number of residents and myself have been trying to engage with Amey (now responsible for the road network) for many months now, without success.

### **Macmillan Coffee Morning – Friday 25<sup>th</sup> September**

Our plan this year is for Mrs Rogers (our school cook) to make a shortbread biscuit for every child in school and then each child can then decorate their biscuit with icing sugar, chocolate buttons and red laces (provided by me). They can then decide to either bring their biscuit home or eat it here (not sure how many will be left for home!!). In order for us to support this amazing charity (which we have done for many years now), we are hoping that you would be willing to let your child bring in £1 on Friday 25<sup>th</sup> September (a week today) in exchange for their sweet treat.

Yours

Mr Searle
