"We Only Reach for The Highest"

Friday 13th November 2020

Dear Parents/Carers

Parents' Evening Feedback

My grateful thanks to all those who engaged with the new system for parents' evening. Like all things technical, there will always be a few hitches and glitches but I do know that the overwhelming majority of you were able to get in to the system and make it work.

From my point of view, it meant that I was not seeing long queues of families outside classroom doors as appointment times were adhered to. I am always concerned that you give up your time and perhaps pay for a babysitter, to then wait way beyond your set appointment time. I have heard only positive remarks about the system from parents with more than two children in school at the moment.

In addition, during a normal parents' evening, I am also concerned about my staff who, after a long day in the classroom, continue to work long after their last scheduled appointment time.

I know that if our current situation continues, we will become even better at using the School Cloud system and it will work for everyone.

If you were unable to connect using School Cloud, then your child's class teacher will be telephoning you shortly (if he or she has not already done so by now) to complete your consultation.

Fund Raising Update

This morning we received notification that we raised £656.90 for **Macmillan** from our virtual coffee morning back in September. There is Gift Aid to add on top of this eventually.

Staff members and I took four car loads of goods to the **Mustard Tree** homeless charity headquarters in Manchester over October half term - we have never had such a large donation in the many years of our giving to this cause.

We sold out of all the products supplied to us by the **Royal British Legion** this year – the first time for some years this has happened.

In addition, I can announce that today's **Children in Need** fundraiser has amassed an incredible total of over £750. (There is still more to come in and count.)

Your generosity (and that of the children and staff) knows no bounds!

Yours

Mr. C. Searle
