"We Only Reach for The Highest"

---

Tuesday 17<sup>th</sup> November 2020

Dear Parents/Carers

## Children in Need Update

What an amazing day we had here in school last Friday. It was tremendous seeing the children doing something a little different and getting really excited about helping others – I was immensely proud of our children and you can be too.

The total we raised on the day was an incredible **£853**. The generosity of everyone shown was fantastic and demonstrates what we all stand for. Many, many thanks to you all. I was particularly touched when hearing from some children who had used their own pocket money to add to the collection buckets.

My thanks go to the staff (led by Mrs Best on this occasion) for their brilliant ideas in planning the activities throughout the day, and also to PTA committee members and Mrs Donnelly in our office for dealing with the donations.

## A Change to the Front of School

For those of you who do not get to drop off or pick up, I thought you might like to know that we now have 'Photinia Red Robin' hedging and silver birch trees planted along the front of the extension beside the fence on Worthington Road. This will grow into a wonderfully colourful and natural divide between the school and the road and look great for years to come. The silver birch trees replace those we had to cut down in order to build the extension.

## Manchester Shoe Box Appeal

A number of our parents this year are involved with the Manchester Shoe Box Appeal, led by Manchester Street Angels. If this is something you would like to support on a family by family basis, then please follow the link below:

<https://www.facebook.com/mcrxmassshooboxappeal/?ti=as>

There are many ways to help this appeal – why not take a look? The deadline is 22<sup>nd</sup> November, so if you do want to get involved, do it quickly!

Yours

Mr. C. Searle
