"We Only Reach for The Highest"

---

Friday 15<sup>th</sup> January 2021

Dear Parents/Carers and Children

It was lovely to see so many of you at this morning's assembly, I hope those of you who were able to attend enjoyed it. It was lovely to break the 100-participant barrier – I now know the updated system works at least!

If you couldn't make the assembly this morning, please do try to get in next Friday by 9.10 a.m. for a 9.15 start. It is so nice for me to see as many children as possible. I really do miss every child, and I can't wait for us all to be back together.

Over the last few days, some parents have received a School Cloud invite to meet up with your child's class teacher. This is the same system we used for last term's Parents' Evening and the catch-up meeting will give you and your child a chance to talk together with your class teacher. We want to know that you all are safe, well and as happy as you possibly can be in these very strange times.

If you have not yet received an invite to School Cloud yet, please don't worry. At the moment I have so many new things to do and I will get around to sending invites out to everyone else by the start of next week.

In the meantime, I do hope you have a very restful weekend. I shall see you all in assembly a week today.

## Covid Update

If your child is attending school at the moment and someone else in your household becomes symptomatic with the possibility that they might have Covid, then you **must not send** your child to school until that household member has been tested and has received a negative test result. We all know that the infection is spread through human contact and I need to do all I can to minimise the risk to all school users. With or without testing or vaccination, self-isolation is a must when a household member is symptomatic.

Yours

Mr. C. Searle
