Dear Parents and Carers

Incident Awareness Letter

Today I have been notified of an incident which took place yesterday afternoon at 4.35 pm near to The Firs Primary in Ashton-on-Mersey.

A girl from the primary school was walking home alone at the end of an after-school club.

She was grabbed from behind by a man who was prevented from doing what he had intended to do by the quick thinking of a woman and a man who were in the vicinity. The offender ran away and the little girl was physically unharmed.

I know that you regularly talk to your child/ren about stranger awareness (as do we in school). I have spoken to the older children this afternoon about staying aware and safe, so they may have questions they want to ask you later.

Yours

Mr. C. Searle
