"We Only Reach for The Highest"

Wednesday 1st December 2021

Dear Parents and Carers

A Worthy Winter Walk – Year 3, 2021 – A Word from the Organisers

After all of your wonderful support helping us raise money for our much-loved school back in 2019, Worthy Winter Walk has decided to make a return this year!

On Saturday the 11th of December, year 3 students will be taking part in an evening "lantern" walk around the River Mersey. It will be a 3 mile walk over muddy paths and trails, and hopefully not with too much rain. However, this time it will be getting dark to add to the adventure, so the children will be bringing torches, glowsticks and lanterns to make it a little Christmassy!

They are all very excited to take part in order to raise extra funding for our school - which in return enables our school to purchase additional resources for our children!

We would be very grateful if you could help support our year 3 students by placing a small donation!

A massive THANK YOU from all of Year 3 😊

*Please note this is organised by three Mums of Worthington Primary School who are raising money because we appreciate all the school is doing for our children. ALL donations go to the school.

If you would like to donate any amount, please click the link below (it's really easy):

Don't Walk Past Christmas Giving Opportunity

Don't Walk Past Manchester is a voluntary outreach group, that go out with teams, five nights a week, in Manchester and surrounding areas, to feed, clothe, support and provide essential items to the homeless, to help make their lives on the streets easier. They also provide local struggling families with food parcels and any other items they may need. Being completely self-funded they rely on donations.

If you are looking to snazzy up your wardrobe this Christmas with a new hat or gloves, and would normally send in no-longer wanted (but really serviceable and clean) clothes to the charity shop, perhaps you might consider donating to the very large box we have in school for just such a drop off.

Ideal items looking for a new home are:

- Thermal hats
- Thermal gloves
- Hand warmers
- Scarves
- Wind-up torches
- Roll-on deodorants
- Lip balms

If you have anything that might fit the bill during this bitterly cold weather, please let your child bring it into school with them and they will be shown where to take the item. Many thanks.

Yours
